New York Water Environment Association, Inc.

Both the NYWEA and the WEF are nonprofit educational associations dedicated to the development and dissemination of information concerning water quality management and the nature, collection, treatment, and disposal of wastewater.

There are seven categories of membership:

Professional: For individuals involved or interested in the advancement of knowledge pertaining to water quality.

Student: For individuals enrolled at least half-time in a college or university, and not currently employed full time. (Photocopy of Student ID required.)

PWO: For individuals working on a day-to-day basis in (or retired from) a wastewater collection, treatment, or laboratory facility.

Corporate: For corporations/companies engaged in any activity related to water pollution control and/or water quality management.

Dual: You must be a member of WEF through another member association.

Retired: For individuals retired from active employment.

Affiliate: This category is NYWEA membership only, and will entitle you to receive all Association benefits, but no WEF benefits.
