Dear Potential Exhibitor:

As the new Chair for the Exhibit Committee, I am pleased to invite you to participate at the 81st Annual Meeting of the New York Water Environment Association (NYWEA). This popular event, scheduled for February 1 - 4, 2009 at the *New York Marriott Marquis Hotel*, draws a growing crowd of professional engineers, licensed operators, consulting engineers, public officials, educators, students, industry and all parties interested in the water environment in New York. I am confident that we can build on the success of the Exhibit, being held this year on February 2nd and 3rd on the fifth floor.

Exhibitor materials for registration can be retrieved and printed directly from the NYWEA website at www.nywea.org. For those who do not have that capability, I have enclosed a copy of the 2009 Booth Registration form and the exhibit area layout.

The information packet and materials outlining additional opportunities for sponsorship can be found at that website. Your participation supports the future of NYWEA and at the same time places your company's name in the forefront of the Annual Meeting through advertising in the Technical Program and sponsorship of various events.

The annual meeting provides an opportunity to network with your contemporaries on the latest technologies in our industry, touch base with your customers and reach out to prospective clients. Please review the enclosed materials, and feel free to contact Joyce Saueracker (jsaueracker@pirnie.com) 718-397-2399 with any questions or concerns. Get your registration form in as early as possible. As always, booths are limited.

I appreciate your partnership with NYWEA and am looking forward to meeting you at the Annual Meeting.

Sincerely,

Joyette Tyler

NYWEA 2009 Exhibit Chairperson
