NYWEA Awards Noelle Chaïné \$1,500 Scholarship

Syracuse – The New York Water Environment Association (NYWEA) awarded Noelle M. Chaïné of Old Chatham, NY, a 2007 scholarship of \$1,500. NYWEA is a statewide organization of 2,500 water quality management professionals dedicated to educating members and the public about water quality issues. NYWEA annually awards several scholarships to students across the state who demonstrate outstanding academic achievements and are pursuing environmental science careers.

Chaïné is a 2007 graduate of New Lebanon High School and now attends Cornell University, majoring in environmental studies. She is the daughter of Marcel and Marilyn Chaïné of Old Chatham, NY.

NYWEA, a statewide nonprofit organization of 2,500 environmental engineers and water quality management professionals, promotes clean water programs and provides related technical education. The organization sponsors several annual scholarships to encourage environmental science careers. Its membership also supports humanitarian projects that provide clean water to communities in the US and abroad. Headquartered in Syracuse, NY the NYWEA has seven regional chapters, 12 college student chapters and is a Member Association of the international Water Environment Federation (WEF). For more information, visit www.nywea.org.
