FOR IMMEDIATE RELEASE: *March 31, 2009*

**Bruce Munn of Cazenovia Elected President
of New York Water Environment Association**

Syracuse – Bruce Munn, P.E., of Cazenovia, was elected 2009 President of the New York Water Environment Association (NYWEA), a statewide organization of leaders in water quality management, at the NYWEA 81st Annual Meeting held February 1-4 in New York City. A NYS licensed professional engineer, Munn is Service Group Manager – Wastewater for Stearns and Wheler - GHD, for the New York, Pennsylvania and Ohio regions, based in Cazenovia. Munn has over 30 years of experience in the evaluation, design and construction phases of wastewater treatment and environmental projects for more than 40 water and wastewater treatment plants.

Founded in 1929 by professionals in the field of water quality as a nonprofit educational organization, NYWEA has 2,500 members statewide who historically have led the way toward state and national clean water programs. NYWEA hosts several technical conferences each year for environmental engineers, scientists, public officials and others who work in water and wastewater quality management. In addition, NYWEA sponsors a major scholarship program to encourage careers in science and engineering, publishes *Clearwaters*, a quarterly educational trade magazine, and supports humanitarian clean water projects. Headquartered in Syracuse, NY, NYWEA has seven regional chapters, 12 college student chapters and is a Member Association of the international Water Environment Federation (WEF).
