We are pleased to invite you to participate in the 94th Annual Meeting of the New York Water Environment Association (NYWEA) scheduled for Monday, February 7th through Wednesday, February 9th, 2022, with the Exhibition open on Monday, February 7th and Tuesday, February 8th, at the New York Marriott Marquis Hotel. Please note: The decision has been made to hold this meeting in person, with only a few select sessions offered virtually. We anticipate the event will attract environmental professionals that include engineers, operators, public officials, educators, students, and all parties interested in water quality in New York. This meeting will provide attendees with the opportunity to see the services your company provides and learn from the technical sessions, the latest technology available in the water sector today.

COVID PROTOCOL
Aligning with NYWEA’s mission of protecting public health, we are committed to creating the safest event possible in NYC. In accordance with the state, federal and local NYC Key requirements, full COVID19 vaccination is required for all conference attendees. The hotel will be checking vaccination credential for each individual upon entry.

Based on the previous success of this event, we are continuing to combine the MONDAY Reception with the Exhibitor Reception, that will take place in the Exhibit Hall on MONDAY evening. This event will give us an opportunity to network with our clients. We will continue to build on past successes to make this Exhibit valuable for your company.

We will be continuing with our online registration using Map Dynamics. Exhibitors are to register online via Map-Dynamics at https://shows.map-dynamics.com/nywea2022/?register (Passcode: nywea94). The information packet and materials outlining additional opportunities for sponsorship can be found at that website or go to https://tinyurl.com/adSponsor94 . PLEASE NOTE: THERE WILL BE NO PAPER REGISTRATION, ALL REGISTRATIONS WILL BE TAKEN ON-LINE USING THE MAP-DYNAMICS WEBSITE.

Your participation supports the future of NYWEA and at the same time places your company’s name in the forefront of the Annual Meeting attendees through advertising in the Technical Program and sponsorship of various events. Please review the enclosed materials, and feel free to contact Maureen Kozol at mgk@nywea.org or 315-422-7811 with any questions or concerns. Booth space is limited, be sure to get your registration form in as early as possible!

I appreciate your partnership with NYWEA and I am looking forward to seeing you at the Annual Meeting in NYC in February!

Sincerely,

Joyette Tyler

Every effort has been made to make booth locations equally desirable. However, experience indicates that exhibitors tend to request the same booths. Therefore, booth assignments will be made on a combination of the following criteria: First come, first served
- Number of years exhibited
- Number of booths purchased
- Discretion of the Exhibit Committee

Please be advised that the hotel rooms fill quickly and there is limited parking available at the hotel. (Room reservations are available now at [https://tinyurl.com/Marriott22](https://tinyurl.com/Marriott22) On-line exhibitor registration is required at [https://shows.map-dynamics.com/nywea2022/?register](https://shows.map-dynamics.com/nywea2022/?register) (Passcode: nywea94) or go to [www.nywea.org](http://www.nywea.org) and click on the exhibitor links. END OF EXHIBIT:
**Exhibit booths shall not be dismantled before 4:00 PM on TUESDAY. Hotel bellhops will not be permitted in exhibit area before 4:15 PM. This will be strictly enforced.**

EXHIBIT FACILITY:

Exhibitors are cautioned that the show is designed for Table-Top Displays, therefore more elaborate displays are not recommended. Full height displays will be permitted provided they are less than the booth width (less than 8’ feet) and can fit at the back of the booth without blocking your neighbor's booth. If your display is greater than 8 feet, you may either purchase 2 booths or one of the larger booths available.

If a more elaborate display is used, the exhibitor should plan for additional costs for delivery, set-up and dismantling of the exhibit, and it is recommended that the exhibitor use the exhibit service company to provide these services. **Exhibit materials MUST NOT be shipped directly to the hotel as the shipment will be refused and returned to the sender.** Exhibit materials may be hand carried into the hotel or a bellhop may be used to deliver the material to
the exhibit area provided the material can, in fact, be hand carried. Hotel employees can prevent this and force the use of special delivery service if the material is too bulky or too heavy. Therefore, large numbers of cartons and bulky cartons should be avoided to minimize this occurrence. For those who plan to carry and set-up their own exhibit, you may be required to use personnel to set-up your exhibit.

INSTALLATION AND REMOVAL TIME:
Exhibitors may begin their installation Sunday, February 6th, 2022 at noon (or as soon as the drayage company has completed its installation of pipe and drape). You will also have access on Monday, February 7th, 2022 after 7:00 AM. Exhibits must be in place by 10:30 AM, Monday. Exhibit materials sent to the Exhibit Service firm will be installed on Sunday.

Dismantling by Exhibitors may begin after 4:00 PM on Tuesday, February 8th, 2022. Exhibit service company staff will not be permitted in the exhibit area until 4:30 PM. If you do not require the assistance of the exhibit service company, you can store shipping carton(s) below your table or behind a poster (remember, the cartons must be completely hidden).

Dismantling shall be complete by 7:00 PM on Tuesday evening. If you are using the Exhibit service company to package and ship your exhibit, they will have personnel there on Tuesday evening to take care of the packaging and shipping of your exhibit. Materials not removed by 7:00 PM on Tuesday will be put in storage at the exhibitor's expense.

There is no space available for storage of empty cartons, crates, etc. at the New York Marriott Marquis. Arrangements may be made with the Exhibitor Service Contractor for storage.

However, the Exhibitor is solely and fully responsible for its own exhibit material and should insure its exhibit against loss or damage from any cause whatsoever. All property of the Exhibitor is understood to remain in its care, custody, and control in transit to and/or from or within the confines of the exhibit hall.

The Exhibitor assumes responsibility and liability for losses, damages and claims arising out of injury or damage to the Exhibitors' displays, equipment and other property brought upon the premises of the Marriott Marquis Hotel and shall indemnify and hold harmless the Association from any and all such losses, damages and claims. The Exhibitor is cautioned to carefully read all the insurance provisions contained in the Exhibitor's Manual. You are advised to consult your insurance broker for proper coverage on any of your display materials from the time it leaves your company's premises until its return. In most cases, a rider can be added to your present policy at a very nominal cost.

There is no other agreement or warranty between the Exhibitor and the Association except as set forth in this document. The rights of the Association under this Contract shall not be deemed waived except as specifically stated in writing and signed by an authorized officer of the Association.

CARE OF BUILDING AND EQUIPMENT:
Exhibitors and/or agents shall not injure or deface the walls or floors of the building, the booths, or the equipment of the booths. When such damage appears, the Exhibitor is liable to the owner of the property so damaged. All materials used in decorations must be flame proofed. Electric wiring shall conform to National Electric Code Safety Rules, and all applicable fire laws, electrical codes and other laws which affect the installation, conduct and disassembly of the
exhibit. Combustible material and/or explosives are not permitted in the exhibit hall. The Exhibitor shall also comply with all reasonable requests of officials of the Marriott Marquis Hotel with respect to installation, conduct and disassembly of its exhibit.
