

EXAMPLE SCORING SHEET 2024 SDC DESIGN REPORT

Name of Team/University: _____

Project Title: _____

Judge: _____

Technical Content - 80 pts

1. Appropriate level of detail used in introduction, statement of problem, background information provided to ensure reader fully understands the scope of the project? (5 pts)..... _____
 2. Continuous, logical sequence of steps to solution presented including justification for decisions and clearly demonstrating the team's technical knowledge? (15 pts) _____
 4. Was design solution feasible and appropriate to address problem statement? Were all relevant aspects required by the problem statement included in the final design solution? (15 pts) _____
 5. Were creativity and innovative approaches applied? (20 pts) _____
 6. Was knowledge of subject matter demonstrated? (10 pts)..... _____
 7. Were appropriate economic and feasibility analyses presented? (10 pts) _____
 8. Were appropriate citations use to credit resources? (5 pts) _____
- TOTAL (80 pts).....** _____

Report Appearance and Organization - 20 pts

1. Were visual aids (graphs, pictures, etc.) in the report presented clearly? (10 pts) _____
 2. Were correct grammar, correct spelling, and technical writing methods used? (5 pts) _____
 3. Was formatting and organization of report presented in a logical manner? (5 pts) _____
- TOTAL (20 pts).....** _____

GRAND TOTAL (100 pts) _____

EXAMPLE SCORING SHEET 2024 SDC PRESENTATION

Name of Team/University: _____

Project Title: _____

Judge: _____

Presentation technical Content - 45 pts

1. Presentation included sufficient depth of technical information (15 pts)..... _____
 2. Team displayed adequate knowledge of subject and presentation content (15pts)..... _____
 3. Recommended design solution was original and innovative (15 pts)..... _____
- TOTAL (45 pts)..... _____**

Presentation Organization - 20 pts

1. Sufficient background information was provided (5 pts)..... _____
 2. Essential facts were developed in a logical and continuous sequence (10pts)..... _____
 3. Recommended design solution was based on facts and data presented (5 pts) _____
- TOTAL (20 pts)..... _____**

Delivery & Effectiveness - 25 pts

1. Presentation was clear, legible, and effective (10 pts)..... _____
 2. Vocal delivery was appropriate (not memorized nor read directly; proper volume, distinct pronunciation, and appropriate vocabulary used) (10 pts) _____
 3. Eye contact was made with judges and audience(5 pts)..... _____
- TOTAL (25 pts)..... _____**

Discussion - 10 pts

1. Answers to questions posed by judges were clear and technically correct (5 pts)..... _____
 2. Answers indicated knowledge of subject beyond presented material (5 pts) _____
- TOTAL (10 pts)..... _____**

GRAND TOTAL (100 pts) _____
